

ASHISH JHA

Full Stack Developer

New Delhi, India | ashishjhag143@gmail.com | +91 8851452496 | [LinkedIn](#) | [GitHub](#) | [Portfolio](#)

SUMMARY

Full Stack Developer with 2+ years of experience designing, developing, and deploying scalable web applications with AI Features. Proficient in the MERN stack with strong expertise in RESTful APIs, responsive UI design, and database optimization.

EXPERIENCE

Walmart Global Tech – Virtual Internship

- Practiced SQL queries for data analysis and reporting
- Learned DBMS concepts and data organization techniques
- Understood hashing for efficient data retrieval
- Worked on retail-based analytical problem statements

PROJECTS

ECOM-AI: AI-Powered E-commerce Website [\[preview\]](#) [\[code\]](#)

- With AI chatbot, add-to-cart, and order tracking features for both User and Admin.
- Used MERN stack, Tailwind CSS, Framer, GSAP, Multer, Cloudinary, Razorpay, Stripe, and JWT.
- Delivered a smooth shopping experience with automated recommendations and secure transactions.

PPT Generator: AI-Powered PPT Generator Website [\[preview\]](#)[\[code\]](#)

- Built an AI-powered presentation generator that creates complete slides with titles and bullet points using Gemini API.
- Used React, TypeScript, Firebase, Clerk, and ImageKit for secure, scalable, and optimized performance.
- Delivered a fast, fully responsive application with dark/light mode and PPT preview/download functionality.

Streamify: Real-Time Video Calling & Chat Application [\[preview\]](#) [\[code\]](#)

- Built a real-time chat and video calling app with friend request and file sharing features.
- Used MERN stack, Stream API, JWT, and Tailwind CSS for secure and scalable communication.
- Delivered a fully responsive app with seamless messaging and video connectivity.

ACHIEVEMENTS

First Runner-Up, HackVSIT 6.0 Hackathon at VIPS

– Developed AXION-AI, an AI-powered web app with a Chrome extension that streamlines workflows and enhances productivity for student and teachers across education industries.

SKILLS
